Overall Assistance for Startup Immigration System (OASIS)

Recruitment of Participants for 2026 OASIS-1 (Basic Intellectual Property Course) – 10th Cohort

KMAC Global Start-up Immigration Center

The **Overall Assistance for Startup Immigration System (OASIS)** is a program operated by **Global Start-up Immigration Centers** jointly designated by the **Ministry of Justice** and the **Ministry of SMEs and Startups of the Republic of Korea**, with the aim of promoting domestic startup activities by foreign entrepreneurs with outstanding technological capabilities.

The **Basic Intellectual Property Course (OASIS-1)** is organized by the **Global Startup Immigration Center operated by Korea Management Association Consultants Inc. (KMAC)**.

A. Program Overview

1. **Program**:
   Basic Intellectual Property Course (OASIS-1), 10th Cohort
   (This program will be conducted entirely in English.)
2. **Objective:**
   To provide foundational courses required for the acquisition of intellectual property rights (e.g., patents) as well as essential orientation on residency and startup-related requirements in Korea.
3. **Eligibility:**
   Legally residing foreign nationals who intend to establish a technology-based startup in the Republic of Korea.
4. **Application Period:**
   October 12 (Mon), 2026 – October 25 (Sun), 2026, until 24:00 (KST)
5. **Application Method:**
   Submission of required documents, including the application form, sworn statement form and proofs of immigration/residency status, via email.
6. **Training Schedule:**
   November 4 (Wed) – November 5 (Thu), 2026
   (Total of 12 hours over two days)
7. **Completion Requirements:**
   Participants who attend at least 80% of the total program will be granted a certificate of completion.
8. **Venue:**
   Global Startup Immigration Center
   (3rd Floor, Goryeo Building, 76 Keunumul-ro, Mapo-gu, Seoul)
9. **Benefits of Participation:**
   - Accumulation of OASIS points required for obtaining startup immigration visas (Technology Startup Visa D-8-4 and Startup Preparation Visa D-10-2)
   - Eligibility to participate in the next stage of the program (OASIS-2)
   - Completion of essential foundational training for technology-based startups in Korea
